**Re: D.T.E. 01-20 Part A-B - Unbundled Network Elements**

Dear Ms. Cottrell:

Enclosed please find an original and 10 copies of Verizon Massachusetts' ("Verizon MA") Compliance Filing in the above-referenced proceeding. This filing is being made in accordance with the Department's May 29, 2003, Order and the revised procedural schedule dated June 5, 2003. The filing consists of 4 CDs and a Compliance Tracking Matrix, in electronic form, that identifies all changes that Verizon MA made to its studies. The CDs contain the following material:

CD#1 – Verizon proprietary LCAM and VCOST models;

CD#2 – Recurring and non-recurring compliance studies;

CD#3 - TELCORDIA proprietary SCIS/CCSCIS information; and

CD#4 - Miscellaneous proprietary spreadsheets and workpapers.

The CDs containing proprietary data are being provided to the Department and the parties that have signed a protective agreement with Verizon.<sup>1</sup>

Sincerely,

Bruce P. Beausejour

---

<sup>1</sup> The proprietary data updates previously filed material for which the Department has ordered confidential treatment. Therefore, Verizon MA has not filed a separate Motion for Confidential Treatment.
